**PM Modi broke his promise on MSP
Farmers lose more than Rs.2 lakh crores in one season**

Methodology of data

- **Conservative Estimates used in all respects**
- **Only official data from government sources used in these tables. In each crop, more than 100 mandis in major crop-producing states are taken to obtain the “Average Mandi Price”.**
- **Actual prices that farmers are getting are much lower than these prices reported on APMC website**

कम्पनियों को छूट, किसानों की लूट!

मेरा नाम भगत सिंह मुझसे लूट रु. 14858
